This list of the alumni and students of Rutgers College has been prepared to answer a constantly increasing number of inquiries, and to serve as a basis for a new and complete General Catalogue.

Repeated efforts have hitherto failed to verify several addresses herein given. Where uncertainty exists a ? precedes the printed address, and in a few instances where no information has been received no address is given.

It is requested that every reader of this list will send any addition or correction that should be made to the Registrar of the College promptly.

The line (————) following the list of the alumni of the several classes, indicates that the students whose names follow after it pursued special or short courses of study with these classes, but did not receive the Bachelor's degree.
